

GNG Sleep

NBF

NATIONAL BED FEDERATION

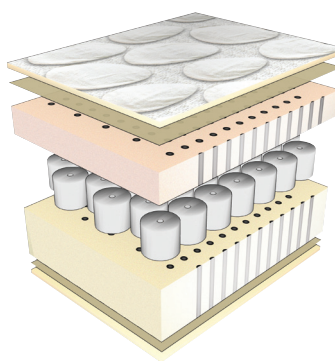

Registered trademark of the Space Foundation, an initiative of the aerospace industry and NASA. Patented Outlast Phase Change Technology is recognized by NASA as Certified Space Technology.

GNG's Sleep division includes a vast range of high quality visco elastic memory foam mattresses, toppers, and pillows, with ranges designed specifically to prevent and relieve back pain and associated conditions. Suppliers to both trade and a number of household names, GNG is considered a highly respected and innovative mattress manufacturer within the domestic market at the forefront of the industry.

As an experienced and respected manufacturer, each mattress we produce is the result of years of continuous development and research, with trained experts ensuring each product is made to the precise requirements of the client and entirely fit for purpose. We supply our own label and white label mattresses for key national accounts.

We now manufacture over 75,000 mattresses a year from our purpose built UK manufacturing facilities, and supply a wide variety of mattress types for a vast array of markets.

Suppliers of the following mattress ranges:

- General/Domestic
- Luxury
- Bespoke
- Memory Foam and Pocket Sprung
- Latex
- Orthopaedic
- Healthcare/Medical
- Nursery/Cot Bed
- Sports
- Contract
- Pillows and accessories

With a strong commitment to customer satisfaction, we strive to ensure that we offer products with the latest developments in cutting edge sleep technology so that our customers can be confident and satisfied in supplying their customers with quality, innovative products, as well as having the opportunity to make a fantastic return on investment.
